

## The Emperor

Amplifier

from out of the vortex and into the big time  
gotta get me a facefull of oblivion  
from under the wheels of the movers and shakers  
well this could be your lucky day  
this could be your lucky day

impatience, impatience  
boys down  
impatience, impatience  
girls down  
keep searching on

HEY  
HEY  
HEY

better go get a gun, go get a gun  
to stay afloat on an ocean of  
sex and mon-mon-mon-money  
well this could be your lucky day

impatience, impatience  
boys down  
impatience, impatience  
girls down

impatience  
step where you'd better lie down  
over the edge of devotion, yeah  
just devotion  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on  
keep searching on

HEY  
HEY  
HEY

well this could be your lucky day  
this could be your lucky day  
this could be your lucky day  
this could be your lucky day  
keep searching on
