

Trading Dark Matter on the Stock Exchange

Amplifier

hungry eyes
all alone
in rainbow skies
of glass and stone
dipped into the acid test
so sharply dressed

well I
would turn disciple
and testify
in the whore crucible
zeroed and hungry for more
gotta get some
only the sharpest of claws
get to hold on

with leisure time
and bonuses
cruising over the horizon
well that ship is never late
chastisement with a velvet touch
don't hurt too much

well I
would turn disciple
and testify
in the diamond spyhole
always still hungry for more
gonna get some
only the sharpest of claws
gets to hold on

(to no one)
so hold on
just hold on

when one man bleeds
on another man's throne
and one man reaps
what another has sown
on unknown seas
would the business sink you down
down to an all time low
to an all time low
to an all time low
to an all time low
to an all time low
an all time low
an all time low
all time low
