

You Are Mine

Amy Dalley

Another four a.m.
Pretending that we're sleeping
Everything I try to say
All short of how I'm feeling
Have you ever hurt so bad
You're afraid your tears will drown you

(Chorus)
Don't let
This go
Don't turn away
I'll love you all my life
'Til the end
Your strength
Your need
Your weakness
'Cause baby you are mine

We're both guilty
We've both got our reasons
Oh if we wanted it
It's so far from what we've become
Every promise we ever made
It serves all the fight we can give it

(Repeat Chorus)

My hope
My everything
The place I run
The breath I breathe
Yeah

(Repeat Chorus)

Oh baby you are mine
