

How Do You Know

Amy Grant

How do you know God is true?
I could tell a tale or two
How 'bout you?
Tell me yeah (tell me, tell me, do)

'Cause when your life's on the line
You gotta know He's there for you
Every time, I'll be reminding you

Daniel in the lion's den
All the lonely nights
But God took the lion's mouths
Shut them up tight

How do you know God is true?
I could tell a tale or two
How 'bout you?
Tell me yeah (tell me, tell me, do)

'Cause when your life's on the line
You gotta know He's there for you
Every time, I'll be reminding you

Lazarus was dead and cold
Three days in the ground
Jesus called him back to life
Daylight he found

How do you know God is true?
I could tell a tale or two
How 'bout you?
Tell me yeah (tell me, tell me, do)

'Cause when your life's on the line
You gotta know He's there for you
Every time, I'll be reminding you
Every time, I'll be reminding you
