I Need a Silent Night

Amy Grant

I've made the same mistake before Too many malls, too many stores December traffic, Christmas rush It breaks me till I push and shove

Children are crying while mothers are trying To photograph Santa and sleigh The shopping and buying and standing forever in line What can I say?

I need a silent night, a holy night
To hear an angel voice through the chaos and the noise
I need a midnight clear, a little peace right here
To end this crazy day with a silent night

December comes then disappears
Faster and faster every year
Did my own mother keep this pace
Or was the world a different place?

Where people stayed home wishing for snow Watching three channels on their TV Look at us now rushing around Trying to buy Christmas peace

I need a silent night, a holy night
To hear an angel voice through the chaos and the noise
I need a midnight clear, a little peace right here
To end this crazy day with a silent night

What was it like back there in Bethlehem With peace on earth, good will toward men?

Every shepherd's out in the field Keeping watch over their clock by night And the glory of the Lord shone around them And they were so afraid

And the angels said fear not for behold I bring you good news of a great joy that shall be for all people For unto you is born this day a Savior, who is Christ the Lord And his name shall be called Wonderful Counselor, Prince of Peace

I need a silent night, a holy night
To hear an angel voice through the chaos and the noise
I need a midnight clear, a little peace right here
To end this crazy day with a silent night
To end this crazy day with a silent night
