

On And On

Amy Grant

Well, I don't understand this love I have inside;
Would it be the same without that twinkle in your eye?
And would it be the same if you came and said goodbye
Forever?

I only know that the love that I feel
Doesn't come from somewhere inside of me,
But I see it keeps on growing,
So I guess I'll just keep going,
'Cause I'm confidently knowing
It's from the Lord.

And it grows on and on,
Flowing on and on.
Don't you see we just can't hide love?
>From growing on and on,
Flowing on and on.
There's so many ways to say I love you.
I love you.

So I pray for eyes to see your needs,
And ears to hear your spirit gently plead.

Well I think I understand this love I have inside;
It's coming from the Father; it will never be denied,
Even if you came to me right now and said goodbye
Forever.

Forever.
Forever.

On and on,
Flowing on and on.
Don't you see we just can't hide love?
From growing on and on,
Flowing on and on.
Got to show this love in my heart!

Growing on and on,
Flowing on and on.
Don't you see we just can't hide love?
From growing on and on,
Flowing on and on.
Got to show this love in my heart!

Growing on and on,
Flowing on and on.
Don't you see we just can't hide love?
>From growing on and on,
Flowing on and on.
Got to show this love in my heart!
