

# Not Me

Amy Pearson

When you first walked into my life,  
Was so happy, you just made me smile.  
I'd do anything that you'd like.  
But after a little while...

All these questions 'bout,  
Where I've been,  
Where I'm goin',  
Who's that callin' on the phone.  
What's become of the,  
Guy I met?  
I just wish,  
You would leave me alone...

Coz I'll be who I wanna be,  
And I'll see who I wanna see,  
I won't go changin for nobody.  
And I'll do what I wanna do,  
Screw you if you don't like it too.  
I won't go changin' no, no not me.

I just keep on wonderin why?  
Always comes as a surprise..  
That people think that they got the right,  
To tell me how to live my life.

Too much talk about,  
What I wear,  
Style my hair,  
Seems like it's always wrong.  
The advice line just,  
Never stops,  
Time to tell,  
Everyone to step off.  
Just back off.

Coz I'll be who I wanna be,  
And I'll see who I wanna see,  
I won't go changin for nobody.  
And I'll do what I wanna do,  
Screw you if you don't like it too.  
I won't go changin' no, no not me.

Ain't about bein right,  
I just go with my instinct.  
And I trust myself.  
That's what I do,  
Whay don't you,  
Keep your mind on you.

Coz I'll be who I wanna be,  
And I'll see who I wanna see,  
I won't go changin for nobody.  
And I'll do what I wanna do,  
Screw you if you don't like it too.  
I won't go changin' no, no not me.
