

I'll Be Yours

Amy Shark

I fell over you
You were sitting in the hall
What a stupid place to sit
What a pretty place to fall

Now you'd make me break the rules
'Cause I'd do anything for us
You said I seem broken, well, maybe I was

Yeah, I may not live for forever
But the time I spend here I'll be yours
One more at the bar and let's get the hell out of here
Babe, we don't need anymore
'Cause I may not live for forever
But the time I spend here I'll be yours
One more at the bar and let's get the hell out of here
Get the hell out of here

I fell over you
You were underneath my feet
You were never there before
Now you're everything I see

Now I'm crawling up your sleeves
'Cause my hands are so cold
And are you coming home with me
'Cause it's all I wanna know?

Yeah, I may not live for forever
But the time I spend here I'll be yours
One more at the bar and let's get the hell out of here
Babe, we don't need anymore
'Cause I may not live for forever
But the time I spend here I'll be yours
One more at the bar and let's get the hell out of here
Get the hell out of here
One more at the bar and let's get the hell out of here
Get the hell out of here

And I'm breaking all the rules
'Cause I'd do anything for us
You said I seem broken, well, maybe I was
