

I'm Sorry

Amy Shark

We lie down on my bedroom floor
Both hands on the Ouija board
And I'm sad about the way things are
Another speeding fine in my boyfriend's car

What if we decided to just take it slow
You think we'd get a little break
Move out by the beach and I would say
I'm sorry
What if we decided to just settle down, let it go
'Cause I don't know where we went wrong
But I keep writing all these songs
And I'm sorry

Still living out of an overnight bag
I'm still working out the master plan
They say you look like mum, but you act like dad
I'd rather you not tell me that

What if we decided to just take it slow
You think we'd get a little break
Move out by the beach and I would say
I'm sorry
What if we decided to just settle down, let it go
'Cause I don't know where we went wrong
But I keep writing all these songs
And I'm sorry
And I'm sorry

Please stay with me
My special friend
You know I would do anything, and I know we're in trouble, there's just no end
You ask your mum if we can borrow some money again
And it's upsetting because we work so hard
But I love you no matter where we are

What if we decided to just take it slow
You think we'd get a little break
Move out by the beach and I would say
I'm sorry
What if we decided to just settle down, let it go
'Cause I don't know where we went wrong
But I keep writing all these songs
And I'm sorry
And I'm sorry
And I'm sorry
