Just A Little Girl

Sometimes I feel you're not listening Sometimes I feel you don't understand But I think I've got the answer Already know what you're gonna say

'Cause I'm just a little girl you see But there's a hell of a lot more to me Don't ever underestimate what I can do Don't ever tell me how I'm meant to be

You say I'm just a little girl, just a little girl How can I compare? What do I know? What have I got to share? But there's nothing in this world, nothing in this world That could hold me down, can't you hear me? Don't you understand That I wanna be myself, wanna be the girl, Wanna be the one that you can rely on How I wish that you could see all there is of me How I long to hear that you take me For who I am

'Cause I'm just a little girl you see But there's a hell of a lot more to me Don't ever underestimate what I can do Don't ever tell me how I'm meant to be

'Cause I'm just a little girl you see But there's a hell of a lot more to me Don't ever underestimate what I can do Don't ever tell me how I'm meant to be

Sometimes I feel you're not listening Sometimes I feel you don't understand

'Cause I'm just a little girl you see But there's a hell of a lot more to me Don't ever underestimate what I can do Don't ever tell me how I'm meant to be

'Cause I'm just a little girl you see But there's a hell of a lot more to me Don't ever underestimate what I can do Don't ever tell me how I'm meant to be **Amy Studt**
