

# River

Amy Wadge

Sometimes life gets between all the plans that you're makin'  
And then in a moment, suddenly everything's changin'  
And you never could be ready for it  
It's livin' and you can't ignore it

You were a phone call away at the end of a long day  
I still have your voice on my phone sayin', "See you on Monday"  
I never could be ready for it  
And suddenly the rain is pourin'

Lookin' up to the sky  
And I don't know why

But I'm gonna send love down the river  
Tie it to a ribbon so it can fly  
And put it on a sailboat  
When the wind will blow, I'll love to say goodbye

Well, life's about livin' and losin' and hopin' and prayin'  
Well, it's about searchin' for somethin' and puttin' your faith in  
And I always will be better for it  
I don't know who I was before it

I look up to the sky  
Well, even when I don't know why

And I'm gonna send love down the river  
Tie it to a ribbon so it can fly  
And put it on a sailboat  
When the wind will blow, I'll love to say goodbye

We all roll on, roll away  
Like waves, we almost break  
Like tides, we'll drift again  
Don't hold on for heaven's sake  
As much as I am wanting you to stay

No, I'm gonna send love down the river  
Tie it to a ribbon so it can fly  
And put it on a sailboat  
When the wind will blow, I'll love to say  
And I'm gonna send love down the river  
Tie it to a ribbon so it can fly  
And put it on a sailboat  
When the wind will blow, I'll love to say goodbye  
When the wind will blow, I'll love to say goodbye
