

Freaks To The Front

Amyl And The Sniffers

Get on my level
Or get out of my way
Don't bloody touch me
Give me some space
I'm short I'm shy I'm fucked up
I'm bloody ugly
Get out of my way
Don't bloody touch me

Freaks to the freaks to the freaks
To the freaks to the front
If they don't like you as you are
Just ignore the cunt

I'm out the town I wanna get rowdy
I send you a text
Hey Jamie where's the party
I'm having a dance
My body all sweaty
Then I get a text
It's Jamie with the addy
Let's go

Freaks to the freaks to the freaks
To the freaks to the front
If they don't like you as you are
Just ignore the cunt

Talking talking
Sweating gurning off ya face
I'm up dancing sweating
Getting on the stage
I already told ya to give me some space
Don't fucking touch me
Cause I'm in a rage

Freaks to the freaks to the freaks
To the freaks to the front
If they don't like you as you are
Just ignore the cunt

Freaks to the freaks to the freaks
To the freaks to the front
Everyone in this room deserves to have fun
