

Tiny Bikini

Amyl And The Sniffers

Ooh, you like it when I stay up late
Is there anywhere in this world a dream can't take me?
Ooh, I know it's technically my space, but
I'm the only one here in a bikini

Ooh, I just wanna wear my bikini
Ugh, I just wanna wear my shorts
Eh, there's too many snags at the party
Eh, so I'm just gonna walk

Ooh, you think the world is not man enough?
So I'm gonna inject some of this cunt
Ooh, if I didn't show up in something spicy
The cold world would feel even more icy

Ooh, I just wanna wear my bikini
Ugh, I just wanna wear my shorts
Nah, there's too many snags at the party
Yeah, so I'm just gonna walk

My shorts, my lips, my hair
My tiny-eeny-weeny bikini
