

# I'll Be Missing You

Amyst

His right here  
Goes out  
To everyone  
That has lost someone that they truly love

Seems like yesterday we used to rock the show  
I laced the track and you locked the flow  
So far from hanging on the block for dough  
Notorious they got to know that life ain't always what it seems to be  
Words can't express what you mean to me  
Even though you're gone, we still a team  
Through your family I'll fulfil dreams

In the future can't wait to see if you open up the gates for me  
Reminisce sometime the night they took my friend  
Try to black it out but it plays again  
When it's real, feelin's hard to conceal  
Can't imagine all the pain I feel  
Give anything to hear half your breath,  
I know your still livin' your live after death

Every step I take  
Every move I make  
Every single day, Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing you

Its kinda hard with you not around  
I know you're in Heaven smiling down  
Watchin' us while we pray for you  
Everyday we pray for you  
Till the day we meet again  
In my heart is were I keep you friend  
Memories give me the strength I need to proceed  
Strength I need to believe

My thoughts Big, I just can't define  
Wish I could turn back the hands of time  
Us and a six, shop for new clothes and kicks  
You and me take in flicks  
Make a hit, stages they receive you on  
Still can't believe you're gone  
Give anything to hear half your breath  
I know you're still livin' your life after death

Every step I take  
Every move I make  
Every single day, Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
What a life to take  
What a bond to break

I'll be missing you

Somebody tell me why  
On that morning, when this life is over  
I know  
I'll see your face  
Every night I pray  
Every step I take  
Every move i make  
Every single day  
I miss you

Every step I take  
Every move I make  
Every single day, Every time I pray  
I'll be missing you

Thinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing you

Every step I take  
Every move I make  
Every single day, Every time I pray  
I'll be missing you

Thinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing you

Every step I take  
Every move I make  
Every single day, Every time I pray  
I'll be missing you

Thinking of the day  
When you went away...(fade)
