Anytime You Leave

An Pierlé

If you say no
Say you go
And I will do so
Anytime you leave

Any wiser
I couldn't take it
I will uhuh hu
I will die from greed

Anytime you leave
Ah ah ah ah…
Anytime you leave
Ah ah ah ah…

If you say I
And
You do try
To forget you
I will treat you mean

Practise voodoo on you
And your latest lady
That's what you'll receive
Anytime you leave

Ah ah ah ah…
Anytime you leave
Ah ah ah ah…
Anytime you leave
Ah ah ah ah…

I wil set your house on fire
Drown your clothes
And crush your cds

I wont leave you
(rest) in peace
'cause I believe that's
What you really need

Anytime you leave
Ah ah ah ah…
Anytime you leave
Ah ah ah ah…
Anytime you leave
Ah ah ah ah…

Hey, I warn you
I wont be ashamed to ask you aching
Why you have to leave
Anytime you leave
Why you make me bleed
Anytime you leave
You should leave for good
Why you're coming back
Stay away from me

If you ever leave
You should leave for good
Will you leave me be
Anytime you leave
