As Sudden Tears Fall

Sometimes I think you're a wealthy man In your head The way you deal with regret But once in while Now and then Even you Get upset In trance Listening to you In suspense Nothing else to do But your ranch-style Supersmile To see through For a while As sudden tears fall As sudden tears fall As sudden tears fall As sudden tears fall I'd like to Dry them all Since you came Lookalikes are never the same The firstborn's to blame And I connect I expect Recovery from What I detect Yesterday It made a raid on me Strange I've still got this rage Like some stomach ball Striking me Penalty In my goal As sudden tears fall I'd like to dry them all I'd like to dry them all
