

## How Does It Feel

An Pierlé

Anything lost  
Anything broken I'll share the cost  
But I wonder how does it feel  
After the fight  
Panting, still shaking off melting ice  
We are wondering how we should feel

Hoping that we will receive  
Evidence for our belief  
Life is worth as much as you rate it  
Burst out laughing, lick your wounds  
Don't bear malice but assume  
Life will be as well as you make it  
Promise you will never stop wondering  
How does it feel

When I seem blind  
To all the dark thoughts stirring your mind  
Please forgive me, I try to see  
You're like a seal  
You can hermetically shut down your ears  
Makes me nervous, come on, get real

Hoping that we will receive  
Evidence for our belief  
Life is worth as much as you rate it  
Burst out laughing, lick your wounds  
Don't bear malice but assume  
Life will be as well as you make it  
Promise you will never stop wondering  
How does it feel

How does it feel  
How does it feel  
How does it feel
