## I'm Stupid

## Ana Johnsson

I`m stupid, you`re smarter I`m stupid, thinking there`s a way This could turn out right

I`m dreaming, you woke up I should have known from the start That you were never mine

Cause if I can't make you love me You're out of reason to stay Make it easy on yourself Don't worry `bout me Can't make you feel somethin you don't

I`m crying, but don`t pity I`m dying, but just walk away It will be alright

Cause I was dreaming, but you woke up And I`m gonna miss you but I I`m gonna be alright

I`m stupid, you`re smarter I`m stupid, thinking there`s a way This could turn out right

Cause if I can't make you love me You're out of reasons to stay Make it easy on yourself Don't worry about me If I can't make you love me You're not the one here to blame I will make it on my own Don't worry `bout me Don't worry `bout me If I can't make you love me
