## Ana Johnsson

## L.A.

All the roads lead to L.A. The place to meet Jesus And make friends with Mary-Jane If you`ve got music on your brain Well here`s the right place To get into the game

Cause we all want the same Yeah we all want the star with our name

All the roads lead to L.A. You worshippers of sunshine You Ceasers of the day If you`ve got something to say Here`s room for everyone Black, white, straight or gay

Cause we all want he same Yeah we all want a star with our name

Yeah all the roads lead to L.A. Let`s drive into the desert And dance the night away Do you remember how to play? Wake up kid inside you And catch the next wave

Cause we all want the sam Yeah we all want a star with our name

Welcome to L.A. La-la-la...
