What Is a Girl to Do

Ana Johnsson

Come on I feel it
It's in the air
When were around each other
Move closer release it
It's only fair
Coz we've, we've done this for to long

What is a girl to do
To get through to you
How does a girl make you understand
That we can make it all come true
What is a girl to do
To get through to you
Tell me cause I haven't got a clue
What is a girl to do

Go on I need it
Move closer now
Let's melt into each other
Let go don't fear it
Open your eyes
And see before the moment's gone

What is a girl to do
To get through to you
How does a girl make you understand
That we can make it all come true
What is a girl to do
To get through to you
Tell me cause I haven't got a clue
Tell me

What is a girl to do
To get through to you
How does a girl make you understand
It's a once in a lifetime chance
What is a girl to do
To get through to you
Tell me cause I haven't got a clue
What is a girl to do

Let's take this one step further And stop wasting precious time I know we'd be good together Are you down with that Are you down with that Baby what if it's now or never And we don't make that move We'd regret this day forever Got nothing left to prove

What is a girl to do to get through to you What is a girl to do to get through to you Why don't you make a move What is a girl to do
To get through to you
How does a girl make you understand
It's a once in a lifetime chance
What is a girl to do
To get through to you
Tell me cause I haven't got a clue
What is a girl to do
