l'm coming back
To my hometown.
To meet my homeboy,
AU my friends again.
They don't know, Lord
How it feels to be back
In the place where it ail began.

Différent countries,
Différent people
I choose to see.
There was a time when it ail felt so
New and good to me.
Différent stories that ends the same, babe
Get what 1 mean?
There ain't nothing in the world
That makes me feel so free, as
My hometown

Oh, Lord, 1'm gonna be in My hometown.
1'm coming back to
My hometown
