

## Night By Night

Ana Popovic

It's a beggar's life, said the Queen of Spain  
But don't tell it to a poor man  
'Cause he's got to kill for every thrill  
The best he can

Said everywhere around me  
I see jealousy and mayhem  
Because no men have  
Their peace of mind to carry them

I ain't got the heart  
To lose another's fight  
So until my ship comes in  
I'll live night by night

The joker tried to tell me  
I could cut it in this rube town  
When he tried to hang that sign on me  
I said take it down

When the dawn patrol, got to tell you twice  
They don't do it with a shotgun  
Said, I'm cashing in this ten-cent life  
For another one

I don't really care  
If it's wrong or if it's right  
But until my ship comes in  
I'll live night by night

Well, I don't really care  
If it's wrong or if it's right  
But until my ship comes in  
I'll live night by night  
Night by night
