

Between Shit And Piss We Are Born

Anaal Nathrakh

And are you satisfied,
It's unto shit that you return,
Are you happy that it is,
In piss that you drown?

Between shit and piss we are born.

And are you satisfied,
It's unto shit that you return,
Are you happy that it is,
In piss that you drown?

Do you even know where you come from,
You insignificant fuck,
Do you even know where you come from,
You insignificant fuck.

Between shit and piss we are born.

And are you satisfied,
It's unto shit that you return,
Are you happy that it is,
In piss that you drown?
