

On Being a Slave

Anaal Nathrakh

Learn to listen?

You do what's fucking good for you

Learn to love the lick

Learn to love the gulp

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum

I decide when the time is ticking???

Deceived by comforting melodies

You'll do what's fucking good for you ???

???

Learn to love the leash, learn to love the gag

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum

You are right it's going to last forever

Drop the fucking??? body

You shall know your fucking place

Learn to love the lick

Learn to love the gulp

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum

I shall deny/deprive you the fucking right to ??? breathe/increase

Learn to love the leash, learn to love the gag

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum

I'll give you a fucking ring

Learn to love the lick

Learn to love the gulp

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum

I'll give you a fucking ring

Learn to love the leash, learn to love the gag

Lap it up, you fucking wretched scum

On being a slave, whose breath smells of the master's cum
