

Cutting Loose

Anabel Englund

Wait for you

I can't wait for you, don't wait for me
I'm cutting loose, you're history
Found the flashing lights, I'm hypnotized
Chasing highs just for tonight
I can't wait for you, don't wait for me
I'm cutting loose, you're history
Found the flashing lights, I'm hypnotized
Chasing highs just for tonight

I can't wait for you
I can't wait for you
I can't wait for you, don't wait for me
I'm cutting loose, you're history

Wait for you
I can't wait for you, don't wait for me
I'm cutting loose, you're history
Found the flashing lights, I'm hypnotized
Chasing highs just for tonight

Wait for you
Wait for you

Slippery, hard to catch, but you want it so bad
So bad, so bad
I'm off the tracks, get freaky when it's like that
Freaky when it's like that, freaky when it's like that
I'm not holding back, running to the sunset
Running to the sunset, running to the sunset
Heart is beating fast, love it when it's like that
Love it when it's like that, love it when it's like that

Love it when it's like that, love it when it's like that

I can't wait for you, don't wait for me
I'm cutting loose, you're history
Found the flashing lights, I'm hypnotized
Chasing highs just for tonight
I can't wait for you, don't wait for me
I'm cutting loose, you're history
Found the flashing lights, I'm hypnotized
Chasing highs just for tonight

Wait for you
Wait for you
Wait for you
Wait for you
Wait for you
Wait for you
