

LOW

Anabel Englund

When I think about you I don't trust myself
When you're right beside me there's nobody else
I can feel your energy, it's like a spell
Now I don't wanna leave

I feel your touch spin me out of control
Close my eyes, let the feeling flow
I feel your love pouring out of my soul
Lose myself when you're pulling me close

I feel like getting low
(La-la-la-la-low, la-la-la-la-low)
I feel like getting low
(La-la-la-la-low, la-la-la-la-low)
I feel like getting low
(La-la-la-la-low)
Low low low low
(La-la-la-la-low)
I feel like getting low
(La-la-la-la-low)
Low low low low
(La-la-la-la-low)
I feel like getting low

Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa

Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa

I feel your touch spin me out of control
Close my eyes, let the feeling flow
I feel your love pouring out of my soul
Lose myself when you're pulling me close

I feel your touch spin me out of control
Close my eyes, let the feeling flow
I feel your love pouring out of my soul
Lose myself when you're pulling me close

I feel like getting low
(La-la-la-la-low, la-la-la-la-low)
I feel like getting low
(La-la-la-la-low, la-la-la-la-low)
I feel like getting low
(La-la-la-la-low)
Low low low low
(La-la-la-la-low)
I feel like getting low
(La-la-la-la-low)
Low low low low
(La-la-la-la-low)
I feel like getting low

Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa
Laa, laa, laa, laa, laa, laaa

I feel like getting low
