

## Picture Us

Anabel Englund

In a world so lonely  
I see you  
When I fear the darkness  
You speak the truth

You say, "I picture us dreaming on a silver spaceship"  
Laughing with the sunset, feel the Earth's rotation  
Happy with the thought we won't ever feel lonely again

Wait a minute (Oh)  
You know I'll always have your back (Oh)  
I know you'll always bring me back (Oh)  
To love

When I picture us  
When I picture us

In a place of madness  
I feel your fire  
On our own big planet  
Telling truth from lies

You say, "I picture us dreaming on a silver spaceship"  
Laughing with the sunset, feel the Earth's rotation  
Happy with the thought we won't ever feel lonely again

Wait a minute (Oh)  
You know I'll always have your back (Oh)  
I know you'll always bring me back (Oh)  
To love

When I picture us  
When I picture us  
When I picture us

Oh  
Oh  
Oh  
When I picture us
