

Take My Time

Anabel Englund

You tried (Ohh)
You tried (Ohh)
You tried (Ohh)
You tried (Ohh)
You tried, you tried (Ohh)
You tried, you tried (Ohh)
You tried, you tried (Ohh)
You tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
You tried, you tried, you tried (Ohh)
(Ooh, ohh)

I'm just gonna take my time
And then I'll give you it (Ooh)
Only if it feels right I'm gonna give you it

When the water's falling down
And the sadness off the ground
I'll wait til the perfect time
And then I'll give you it
Take it

I'm just gonna
I'm just gonna
I'm just gonna
I'm just gonna
I'm just gonna take my time
And then I'll give you it
I'm just gonna
I'm just gonna
Only if it feels right I'm gonna give you it
I'm just gonna
I'm just gonna

When the water's falling down
And the sadness off the ground
I'll wait til the perfect time
And then I'll give you it
Take it
(Ohh, ohh)

You tried (Ohh)
You tried (Ohh)
You tried (Ohh)
You tried (Ohh)
I'm just gonna
You tried, you tried (Ohh)
You tried, you tried (Ohh)
I'm just gonna
You tried, you tried (Ohh)
You tried, you tried (Ohh)
I'm just gonna

(Ohh, ohh
Ohh, ohh
Ohh, ohh
Ohh, ohh
Ohh)
