

All I Give a Fuck About Is Sex

Anal Cunt

Going on dates is f**king lame
I couldn't be bothered to remember your name
Just want to get f**ked and some more of the same
I don't got time for these f**king games

R:

Cause all I give a f**k about is sex
All I give a f**k about is f**king sex
I said, all I give a f**k about is sex
All I give a f**k about is f**king sex
I'm not gonna spend a f**king cent on you
You're just another stupid cunt for me to screw
Once you're used up I'll f**k someone new
They'll always be some f**king useless cunt to do

R:

On my tour bus or when I'm backstage
There's a never-ending line of cunts that want to get
laid
Every bitch is blonde, dumb, and underage
Gonna give each one herpes, hep, and hopefully A.I.D.S.
