

Anyone Who Likes The Dillinger Escape Plan Is A Faggot

Anal Cunt

Harvey Fierstein told me you guys ruled
John Zorn called to tell me you're great
The caller ID was from a gay bar
You guys fucking suck

Any guy who likes you
Likes Neurosis and dicks up his ass
You think you're so fucking original
Gay bars used to be original too

You never get bad reviews
Because all the writers shoot up cum
Everyone who likes you
Is a gay homosexual faggot
