

Hitler Was A Sensitive Man

Anal Cunt

Hitler was a sensitive man (4x)

He went to art school when he was younger

He wanted to be a painter

Hitler was a vegetarian

He was also a non-smoker

Hitler was a sensitive man (4x)

He hired gay and handicapped officers

He was concerned about overpopulation

If Hitler were alive today

He'd listen to The Cure, The Smiths, and Depeche Mode

Hitler was a sensitive man (4x)
