

Hogging Up The Holocaust

Anal Cunt

Other people were fucked with too
but all you care about is you
faggots, gypsies, others too
but you just want people to care about you

Hogging up
hogging up the fuckinh holocaust (4x)

You're as greedy with money as you are with guilt
so you had a holocaust memorial built
not that I care about other people or races
but I'm sick of your fucking whining faces

Hogging up
hogging up the fuckinh holocaust (4x)
