I Intentionally Ran Over Your Dog

Anal Cunt

Your dog was your only friend You spent your life savings fixing its broken leg You loved it more than your parents loved you And then I ran it over

Your dog was dumb and now it's dead My tire tracks are tattooed on its head (2x)

I dragged it 50 yards down the street And you ran after me in tears I almost cried because I was laughing so hard Then I turned around and tried to hit you

Your dog was dumb and now it's dead My tire tracks are tattooed on its head (2x)
