Anal Cunt

guys used to always buy you drinks  
and they'd always kiss your ass  
now you just have one tit

i always hoped you'd get a.i.d.s.  
but breast cancer will do  
now you've just got one tit  
but you used to have two

a drunk guy tried to feel you up  
but there was nothing there  
so he punched you in the teeth  
and stole your money, cunt

i always hoped you'd get a.i.d.s.  
but breast cancer will do  
now you've just got one tit  
but you used to have two
