

## Limp Bizkit Think They're Black, But They're Just Gay

Anal Cunt

Fred Durst is a f\*\*king faggot

He thinks he's black, but he's just gay

He cancelled a show cuz he sprained his ankle

He's also a f\*\*king midget

R:

You're not f\*\*king black, you're just f\*\*king gay (2x)

You're f\*\*king gay

The guitarist wears a mask

To hide the cum stains on his face

They're the gayest band I've ever seen

And I've seen the Culture Club live

R:

Fred wears a hat to hide his baldness

I refuse to believe blacks think he's cool

I wish he'd beaten and raped by some black guy

And see if he still wants to be black
