

You're A Trendy Fucking Pussy

Anal Cunt

you always talk behind my back, but when i see you, you want to shake my hand

when i see you ready to fight, you change your story like i knew you might

you grew up wanting to be just like me, but i'm not cool in your clique

anymore

i never changed with the trends like you did, so you're not allowed to like me

anymore

you always do whatever's fashionable, and you hate me cuz i don't

you want to be everyone's friend, and you hate me cuz i won't

you're defending someone you barely know, you're such a f**king homo
