

All Night Long

Ananya Birla

I think you're stuck in my mind
It's like poison in my veins
I don't understand why
But I want it all the time

I think I'm out of my mind
Out of my head, out of my head to be with you
I think I'm out of my mind
But I want it all the time

I'm trying so hard but I just cannot fight it
I'm trying so hard but I know

So after a long night
I just wanna come home and touch your body
Long night
I just wanna come home and touch your body
Yeah, all night long
Yeah, all night long
After a long night
I just wanna touch your body

Even after your lies
My heart still beats for you
I don't understand why
But I want it all the time

I think I'm out of my mind
Out of my head, out of my head to be with you
I think I'm out of my mind
But I want it all the time

I'm trying so hard but I just cannot fight it
I'm trying so hard but I know

So after a long night
I just wanna come home and touch your body
Long night
I just wanna come home and touch your body
Yeah, all night long
Yeah, all night long
After a long night
I just wanna touch your body

So after a long night
I just wanna come home and touch your body
Long night
I just wanna come home and touch your body
Yeah, all night long
Yeah, all night long
After a long night
I just wanna touch your body

So after a long night
I just wanna come home and touch your body
Long night
I just wanna come home and touch your body

Yeah, all night long
Yeah, all night long
After a long night
I just wanna touch your body
