

Disappear

Ananya Birla

Sometimes I wanna hide away
Someday, I will
Free from all the lies and pain
Tune out, sign off

So, I'm runnin'
I'm runnin'
We runnin'
Got to get away

If I could I would disappear
Get so lost in the atmosphere
And if I could I would disappear
Get so lost in the atmosphere

I'm talking about love
What would you do for love?
Love
What would you do for love?

You could be miles away
I still see you
You're in my brain, I want you to stay
Tune in, sign off

So, I'm runnin'
I'm runnin'
We runnin'
Got to get away

If I could I would disappear
Get so lost in the atmosphere
And if I could I would disappear
Get so lost in the atmosphere

I'm talking about love
What would you do for love?
Love
What would you do for love?

I'm waiting for the right time
To tell you I care
I'm damaged for thinking
That life would be fair

If I could I would disappear
Get so lost in the atmosphere
And if I could I would disappear
Get so lost in the atmosphere

I'm talking about love
What would you do for love?
Love
What would you do for love?
Love
What would you do for love?
