

West Coast Christmas

Anarbor

It gets a little chilly right about this time each year
And it's a little silly that it's 92 out here
But where I'm from, we drink Corona,
Smoke on ..., and Waitn't the sun
Life is easy, so feel like whiskey
And everybody sing along

Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
Ain't no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
That's where we belong, singing the West Coast Christmas song

Chilin' by the fire with a smile from ear-to-ear
We don't need no Christmas trees cause we got cactus right here
And where I'm from, they wear bikinis, we don't need no Jack an
d some
Life is easy, so feel like whiskey, and everybody sing along

Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
Ain't no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
That's where we belong, singing the West Coast Christmas song

Cause where I'm from, we soak up sunshine
I got the desert on my mind
Life is easy, so feel like whiskey, and everybody sing along

Oh, oh, oh
We know it never snows, gonna race in the desert sun
And on the West Coast, in the best coast, everybody sing like
So much Christmas cheer, cracking all the beer
Ain't no right or wrong, West Coast Christmas song
We all laugh and sing, maybe smoke some green,
That's where we belong, singing a West Coast Christmas song
