

But Without Love...

Anathallo

Speak quickly, insecure, don't let in a word. i will marvel at your understanding. i'm amazed by the depths of your reason, yet if it were for reason alone, then what's compelling you? i admire your comprehension, but i'm failing to find the love in your words, it's hard for me to honor the things that you say when it is love that never fails. it is love that never fails, that without, i am nothing. even if i had all faith, faith so that i could remove mountains, but have not love, i am nothing. i admire your comprehension, but i'm failing to find the love in your words, it's hard for me to honor the things that you say when it is love that never fails. it is love that never fails, that without, i am nothing.
