**Emi**      **B7sus4**                      **Emi**                      **B7sus4**  
1. Hey you.. rotting in your alcoholic shell  
**Emi**                      **B7sus4**                      **Emi**                      **B7sus4**  
Banging on the walls of your intoxicated mind  
**Emi**      **B7sus4**                      **Emi**                      **B7sus4**  
Do you ever wonder why you were left alone  
**Emi**                      **B7sus4**                      **Emi**                      **B7sus4**  
As your heart grew colder and finally turned to stone

**C7**      **G7**                      **C7**      **G7**  
R: Did I punish you for dreaming?  
**C7**      **G7**                      **C7**                      **G7**  
Did I break your heart and leave you crying?  
**C7**      **G7**                      **C7**                      **G7**  
Do you ever dream of escaping?  
**C7**                      **G7**                      **C7**      **G7**  
Don't you ever dream of escaping...
