

# Hell

Anavae

Take a guess at how I'm feeling  
I don't know you anymore  
It takes two to fuck it up this bad

Give me that sharp, jaded heartache  
Pretending that you're not a demon too  
Toxic enlightenment has claimed you as his friend

You're not wishing me well  
So I wish you to hell

Say it again  
Say it again  
Once more with feeling  
Say it again  
Say it again  
Tell me that you hate me  
Say it again  
Say it again  
That the world is ending  
Say it again  
Say it again  
Don't tell me that you're healing

Disturbed and troubled by her  
I must keep my mouth shut  
I'm torn by all there is and all that I believe  
I hate this beautiful darkness  
Is there a beautiful outcome?

Making love to a fantasy  
Tragedies do come in threes

Say it again  
Say it again  
Once more with feeling  
Say it again  
Say it again  
Tell me that you hate me  
Say it again  
Say it again  
That the world is ending  
Say it again  
Say it again  
Don't tell me that you're healing

Making love to a fantasy  
Of a life not quite lived  
Making love to a fantasy  
Of all the things I'm not allowed to see

I hate you  
I love you  
I hate you  
I love you  
I hate you
