

Into Dust

Anavae

So Tonight That I Might See

Still falling
Breathless and on again
Inside today
Inside me today
Around broken in two
Til your eyes share into dust
Like two strangers turning into dust
Til my hand shook with the weight of fear

I could possibly be fading
Or have something more to gain
I could feel myself growing colder
I could feel myself under your fate
Under your fate

It was you, breathless and torn
I could feel my eyes turning into dust
Into strangers, turning into dust
Turning into dust
Turning into dust
