

I can't help but say whats on my mind  
I can't help but say whats on my mind  
How can you say you don't feel the same  
When I feel the heart of a beat moving with you?  
How can we sway and stare into the night  
When you say you don't want to be mine?

One and only  
One and only  
Got to be my heaven  
One and only  
One and only  
Got to be my girl

How is this for true devotion?  
Dear, I'll give you all  
I'll give you all  
Who do you need me to be?  
I'll be someone  
I'll be someone for you  
How is this for honesty?  
I need to hear  
I need to hear it now  
Who do you need me to be?  
I'll be someone  
I'll be someone for you

I can only act out what's on your mind  
(Tell me what's on your mind)  
I can only act on what you say is mine  
(I want to know)

Someone's got to  
Someone's got to  
Someone's got to give in  
Someone's got to  
Someone's got to  
Someone's got to give up

How is this for true devotion?  
Dear, I'll give you all  
I'll give you all  
How is this for true romance?  
I fear I pulled you down  
I pulled you down  
How is this for honesty?  
I need to hear  
I need to hear it now  
Who do you need me to be?  
I'll be someone  
I'll be someone for you
