Mother

Tell your children not to walk my way
Tell your children not to hear my words
What they mean
What they say
Mother

Mother

Can you keep them in the dark for life
Can you hide them from the waiting world
Mother

Father

Gonna take your daughter out tonight
Gonna show her my world
Father

Not about to see your light
But if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's like

Mother

Tell your children not to hold my hand
Tell your children not to understand
Mother

Father

Do you wanna bang heads with me
Do you wanna feel everything
Father

Not about to see your light
But if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
But if you wanna find hell with me
I can show you what it's like

Not about to see your light
But if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
But if you wanna find hell with me
I can show you what it's like
