

The War

Anberlin

The power's will lay upon me, the battle is about to begin.
Our fear is melting away, the time has come.
Will god come down, will god save our souls?
We're in the middle of it, we're hoping for the end.
Endless fears will come to this war.
People will continue fighting, the bodies lay black and blue, a
gift from me to you.
The sky is lighting up, it's growing brighter.
The ground is shaking, the earth is moving quicker.
I'm stuck in the middle of this battlefield, searching for the
end.
One single blow will end this, one single blow will start our n
ew quest.
Endless fears will come to this war.
People will continue fighting, the bodies lay black and blue, a
gift from me to you.
