

# There Is a Light That Never Goes Out

Anberlin

Take me out tonight  
Where theres music and theres people  
And they're young and alive  
Driving in your car  
I never never want to go home  
Because I haven't got one  
Anymore

Take me out tonight  
Because I want to see people and i  
Want to see life  
Driving in your car  
Oh, please don't drop me home  
Because its not my home, its their  
Home, and I'm welcome no more

And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten-ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure - the privilege is mine

Take me out tonight  
Take me anywhere, I don't care  
I don't care, I don't care  
And in the darkened underpass  
I thought oh god, my chance has come at last  
(but then a strange fear gripped me and i  
Just couldn't ask)

Take me out tonight  
Oh, take me anywhere, I don't care  
I don't care, I don't care  
Driving in your car  
I never never want to go home  
Because I haven't got one, da ...  
Oh, I haven't got one

And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten-ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure - the privilege is mine

There is a light that never goes out  
There is a light that never goes out  
Oh, there is a light that never goes out  
There is a light that never goes out

There is a light that never goes out  
There is a light that never goes out

There is a light that never goes out  
There is a light that never goes out

There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes...

There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out

There is a light
