Ancient Bards

My brother gather 'round
let's welcome our new guest!
It's been a draining run,
you better get some rest.
Our wait was worth the while.
the chosen one is here
He joined us in exile,
now payback time is near.

Ego fero densum malum
(The Thick Evil of the First Night)
primae noctis atri leti
Quod is densum malum habet
bow down to the chosen one!

Here, Lork, the malum's yours
you are the leader now
Soon wisdom will be ours,
we'll take it, we know how
We're feeling loud and strong
a thirst we cannot quench,
before we move along
we want to get revenge.

Ego fero densum malum
(The Thick Evil of the First Night)
primae noctis atri leti
Quod is densum malum habet
bow down to the chosen one!

Leave your hopes redemption,
lead us in the ascension!
We'll do as you ask, we are your people now.
