

A life devoted to my praise of the supreme  
That token in her hands was my prize to redeem  
And whatever test I blew, now his trust in me is through  
To him I'm just number 2  
I don't know what I did wrong

I don't understand what's going on  
Where is this doubt rising from?  
What is this division father claims to see?  
I did what I had to do, I did follow every rule  
I don't understand what he thinks  
Is corrupting me

There's not a hint of dark in me  
No hint of dark in me, no hint of dark  
No darkness in me  
I will never let him cut me out  
This charade is not on me  
Someone needs to talk some sense in this head!  
I'm sure it's the crystal's fault  
I know something there is wrong  
I will never let that rock dictate my life again

There's not a hing of dark in me  
No hint of dark in me, no hint of dark  
No darkness in me

Oscurità  
One little drop  
The infection spreads on his tainted heart  
It spreads on his now tainted heart  
Finding no sign of resistance, the dark takes control

I have no demons to tame!

No! I can't stand he chose Eirene  
I'm a victim of

Oscurità  
One little drop  
The infection spreads on his tainted heart  
Oscurità  
One little drop  
The infection spreads on his tainted heart  
It spreads on his now tainted heart  
Finding no sign of resistance, the dark takes control

I have no demons to tame!
