

# Brides Ghostly Grace

## Ancient Ceremony

"Where Love is denied  
Fatal Passion may shine bright"  
Like to me in this destituous Night

Visions granted by the Sphere of Dreams  
Unearthly Desire  
Whilst entering the Castle Halls  
Magnificent Whisper welcomes me  
As Bride's ghostly Grace is unveiled  
The Curtain of my Tragedy opens

Sweet Choirs like the Tunes of Paradise  
She spreads Bewitchment with Her magenta Eyes  
And Darkside Kisses poison me  
Oh Eternity, I long for Thy Caress  
Speak to me in golden Tongue

"My Love once was denied  
Now Thee all feel my Hate and Pride"  
For I seduce and kill with Delight

Ethereal Embrace  
My Tears are Diamonds to Her  
This lovelost Spirit dines on my Soul  
Now dance with me like dead Leaves in Autumn-Wind  
I adrift... the cold Arms of Death await  
Now dance with me like the Stars around the Moon  
Bride's ghostly Grace

"Where Love was denied  
Thousands for their Lives have cried"  
As She haunts without Mercy the Night
